

The Hoopa Valley Tribe
and the IDRS Acorn
Project Presents:

PLANNING YOUR SMALL BUSINESS

Do you have a business idea that you need a plan so that you can launch or grow your business? Have you been wondering where to start?

If so, join the IDRS Acorn Project for a workshop all about getting your planning right. Participants will be working with the Co.Starters business canvas. The canvas helps identify, test, and adapt assumptions about the future entrepreneur's venture in order to create a sustainable model.

We'll also talk about the exciting cohort programs we have coming up. If you're a Native artist or entrepreneur who wants to sell on Etsy or use Airbnb, don't miss it!

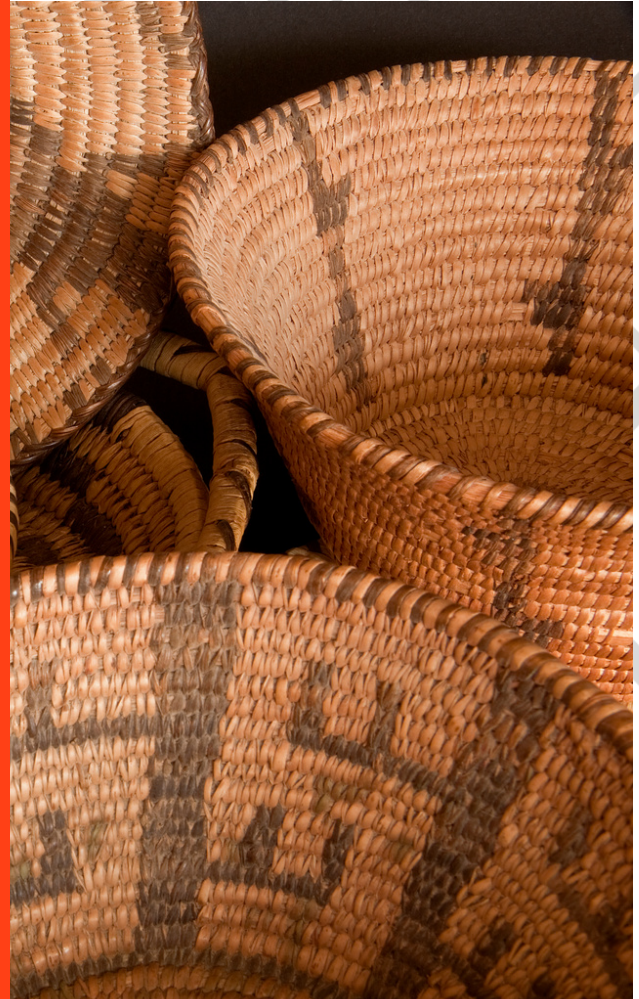

**Thursday, June 29, 2023
10:30 am - 12:30 pm**

**College of the Redwoods
29 Orchard Road
Hoopa, CA 95546
530-625-5081**
